

Safety First

Hout Bay Manor

OUR SAFETY PRECAUTIONS DURING LOCKDOWN

We are over the moon to once again be able to prepare food for our customers that we make with love and gratitude, that we'll deliver to your home.

The health and safety of our team and customers remains a top priority, and so for now we are keeping our cooking team small to ensure correct social distancing practices. Jongile, Siya and Nisanda are thrilled to be back doing what they love most - preparing delicious meals for you!

In the kitchen:

- The temperature of each staff member is checked on arrival, as well as during and at the end of each shift
- Shoes are disinfected before entering the kitchen. Gloves and face-masks are mandatory, disinfected and renewed each day.
- A distance of 1.5 metres is maintained between team members in the kitchen

For deliveries:

- Our drivers Ludwig, Melusi and Vuyisani wear masks and visors at all times
- Delivery vehicles are disinfected at the start of, during and at the end of each day
- Deliveries are left at your door or gate; the bag is sprayed before it is packed into the vehicle and upon delivery to you. Driver will remain 4 steps away in order to ensure social distancing.

We look forward to delivering you more amazing meals from our Eat Menu!
Please view our new menu on our website and Social Media platforms.
